We would love to fly back to your lovely city to watch the Whitecaps play football. We had a wonderful time at the olympics in Vancouver!

favorite Whitecap - Bobby Lenarduzzi.

well, we already have our tickets for a few Whitecaps games this year-I'm sure you'll hear the Timbers Army driving in to your city from Portland! we have been up a few times and enjoy the atmosphere at swangard. i'll play along and pick eduardo sebrango as best whitecap. we've seen him play some good football over the years.  
great website!

great performance on the field and pure class - Carl Valentine. the man from manchester starred for the whitecaps and had his number retired as an 86er. 31 caps representing Canada also coach ottawa fury and richmond soccer.
